Preamble

Manipal Academy of Higher Education, an institution of eminence deemed to be university, has consistently applied research efforts to develop scientific knowledge, emphasising interdisciplinary research and engagement with the broader research community. Lifelong learning promotes people's capacity to deal with change and to build the future they want. Lifelong learning also enhances employability and entrepreneurship through skill development and creativity, enhances public health and well-being, and builds more cohesive and resilient communities. MAHE offers world-class education across diverse streams at its sprawling campus in Manipal, branch campuses in India and overseas, and currently also offers online programs. As a NAAC A++ accredited university, MAHE is one of India's leading academic and research institutions and is a name to reckon with in the global education space.

Scope of the policy

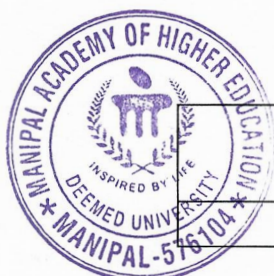

This policy covers the educational facilities and services created by the constituent units of the university which are open to the members of the general public to promote the culture of lifelong learning.

Objectives

- Provide services of lifelong learning
- Develop comprehensive and flexible lifelong learning programs in response to the demand for learning
- Develop learning centres, physical infrastructure, and learning venues
- Promote student-driven projects, student clubs, volunteer services, sports and cultural events, community outreach activities and internship programs
- Ensuring transparency, justice and consistency to all regardless of ethnicity, religion, disability, immigration status and gender in providing access to lifelong learning resources

Facilities that promote lifelong learning

MAHE provides access without any discrimination regarding ethnicity, religion, disability, immigration status and gender to the various facilities that promote lifelong learning including Libraries, Planetarium, Art gallery, Herbal garden, playgrounds, walkways and gardens in campus, amphitheatre, educational and healthcare related community outreach services, educational events organized by the various units, celebration of days of national and international significance, Cultural events, Vocational training courses and online learning resources.
